PROFILE

Computer Science student who designs and builds responsive web applications with React, Node.js, and Python. Has deployed live projects featuring secure sign-in, online payments, file uploads, and AI-powered features, and cares about interfaces that are clear, fast, and easy to use.

EDUCATION

D. Y. Patil College of Engineering & Technology (DYPCET) 2023 – 2027

B.Tech in Computer Science *CGPA: 7.00 / 10.00*

TECHNICAL SKILLS

Frontend: HTML, CSS, JavaScript, TypeScript, React, Responsive Design

Backend: Node.js, Express.js, FastAPI, REST APIs, JWT, Google OAuth, Rate Limiting

Databases: MongoDB, SQL

Integrations: Razorpay Payments, Gemini API, Google OAuth, File Upload and OCR Pipelines

Languages: JavaScript, TypeScript, Python, SQL

Tools & Deployment: Git, GitHub, Docker, Vercel, VS Code

PROJECTS

StudyMate AI – AI Study Assistant (Web App) Live Demo | GitHub

React, Node.js, Express, MongoDB Atlas, Gemini, Docker

- Developed a web app where students upload notes (PDF, Word, PowerPoint, text, images) and get answers drawn only from that material, with source-page citations and OCR for handwritten pages.
- Added auto-graded quizzes and progress tracking that flags weak topics.
- Implemented JWT and Google OAuth sign-in and Razorpay payments (card, UPI, QR) with HMAC-verified callbacks; deployed on Vercel.

AI Text-to-SQL System (Web App) Live Demo | Final Year Major Project

Python, FastAPI, SQL, JavaScript

- Built and deployed a web app where users type a question in plain English and see the matching database results on screen.
- Wrote the FastAPI backend with request validation, error handling, and cleanly formatted responses.
- Added checks that stop incorrect or unsafe SQL from running, and created separate Admin and User interfaces with role-based access.

CERTIFICATIONS & TRAINING

- **Data Science Workshop, 2 days** — Techfest 2025, IIT Bombay 2025
- **Data Analysis with Python** — IBM, Cognitive Class 2026
- **Data Analytics Bootcamp, 4 days** — MLSA (Excel, Python, SQL, Power BI; 2 real-time projects) Aug 2025
- **Python with DSA Bootcamp, 61 hrs** — Krish Naik, Udemy Feb 2026

LEADERSHIP

- **E-Cell and Photography Club, DYPCET:** Led video and promotional content for events including Eureka, Illuminate, and the Inspire Program; coordinated club photography workshops.
